# Our School

## *Dedication . . .*

We dedicate this annual to our parents, who at many times in our school life have denied themselves that we might participate in the numerous school activities. In doing this they have cheerfully deprived themselves of both time and money. So it is with great pleasure that we dedicate this annual to them.

WE, the Haviland-Scott Senior Class of 1940, have published this annual with the hope that in years to come it will bring back memories; memories not only of days gone by but of friends who have scattered afar. We have, in the publishing of this annual tried to show a true picture of the everyday school life of an average student. We do not expect this book to become a "best seller" but if it at any time brings pleasure to anyone, we will have been amply repaid for our trouble.

We, the Seniors of Haviland-Scott School, wish to express our gratefulness and appreciation for the many fine facilities, such as the Home Economics, Shop, refinishing of desks, decoration of the auditorium, which these men have seen fit to provide for us. Not only for these facilities are we grateful, but we are also appreciative of their constant guidance and the time and effort spent in our behalf. To them we dedicate this page.

## Music Department

Our mixed chorus and glee clubs have a brilliant record behind them this year. Among their achievements have been the presentation of the operetta, "Sonia"; an appearance on the Christmas and Farmers' Institute programs; a rating of superior for the mixed chorus and the boys; rating of excellent for the girls; and the acquisition of the name of grasshopper and ants, which was given to them by their very able director, Miss Miller.

Our organization of "windy" people, commonly referred to as the band, is also under the direction of Miss Miller. Led by the Gusler goose step, the band had its first experience in formation-marching at the basketball games, forming the school letters "H. S." They also appeared on the Farmers' Institute program and took part in the Paulding County Music Festival.

A group of college students, led by Sonia Markova, planned a surprise party for Professor Smythe, "the absent-minded professor." In the midst of which Sonia's Aunt Martha appears and threatens to take her niece out of college.

Sonia receives word that her father, whom she has never seen is still alive in Russia, and decides to go in search of him. They find the ancient home of the Markovas' so inspiring that they decide to stage a rehearsal of their college musical show. During the rehearsal a mob of Bolsheviks become mixed up with them and in the pandemonium which follows, the castle catches fire.

Sonia finds her father. Pat has unravelled the mystery and wins his reward.

# Music Memories

Do you remember—

The music rehearsal in which Miss Miller didn't have to tell Ralph Rhodus to shut up.

The time Charles Fast played a solo at a basketball game. We wonder where the rest of the trumpets were.

When Ralph R. borrowed everybody's chewing gum to fix his horn.

The whole period the boys had to sit still without talking.

The uproar caused by the argument over Lawrence Tibbett and Nelson Eddy.

The Christmas program when Junior High Glee Club got in a hurry to sing.

The basketball game when LaDonna dropped her baton. The Oakwood boys couldn't have had any thing to do with it.

PAULDING — PUTNAM  
ELECTRIC  
CO-OPERATIVE, INC.

During the nineteen years that we have been building Essex Farm Hatchery, we have selected the best lines available upon which to build success. First is the English Leghorn which we chose after trying the others. Then our Barred Rocks and White Rocks are the egg type—good layers of large eggs.

The equipment we use and sell is outstanding for its engineering perfection. We use the Jamesway electric incubator and brooders. We sell Jamesway equipment, Purina feeds, and Dr. Salsbury's Remedies. Good chicks and good equipment will give efficient results.

## *Last Will and Testament*

WE, the Senior Class of 1940, of Haviland-Scott School, County of Paulding, and State of Ohio being of graduating age, of sound mind and memory and not under restraint, Do Make, Publish and Declare this OUR LAST WILL AND TESTAMENT, hereby revoking and making null and void all other last Wills and Testaments by us made heretofore:

Marcille Cavinder wills her ability to get good grades to Robert Dunn.  
Junior Market inherits Evelyn Williams' good grades and bashfulness.

Eileen Foust gives the best boy athlete to any girl who can get him from her.

Clare Buehler leaves her baby face and brown eyes to Lorna Griffis.

Mr. Bush receives Lois Griffis' golden locks in case Miss Miller's hair turns gray.

Amy Line inherits Betty Hooker's ability to sing and otherwise disturb Miss Bowyer in Home Ec.

Clara Harris wills the worn pages of her geometry book to Caroline Myers.

Some of the Senior boys would like to return the bumps on their heads to Mr. Ash.

Junior Dangler inherits Gaylord Auman's excuses for skipping shop class.

Ralph Baker wills his love of literature and his broad shoulders to Warren Cadwallader.

Ralph Rhodus gives his name of Romeo to Herbert Mosier. His scientific mind goes to Roy Green.

Gaylord Breedlove inherits Don Cadwallader's curls and love of basketball.

Richard Lay gives his knowledge of basketball and his athletic figure to Ray Foust.

Billy Shaw is willed Eldon Winder's bashfulness—but Eldon's heart goes to a certain Senior at Payne.

Lester Laukhuf leaves his love of excitement in the study hall to Delmar Stoller.

Alvin Zielke wills his knowledge of chemistry to Howard Harvey.

Harlan Hooker leaves his ideas of music to Kent Pond.

Miss Miller wills her blue mittens to Eldon Winder.

In witness whereof, we hereunto set our hand this 9<sup>th</sup>  
day of May nineteen hundred and forty.

Signed:

Gaylord Auman
